Burley Tobacco Growers Boost Your Own Brands

We, as you know, are using your choicest tobacco in the brands of Strater Bros. Branch, and you know that nobody grows better tobacco than you do. You know how we manufacture, so you know that these brands are perfection. Now we want you to help us sell these brands this year even better than our best previous years. The reasons you should so help are as follows:

You Are Part Owner

The fact that you grow the tobacco makes you part owner of all these brands. Every time that one sells you profit. Every word that you say in favor of any helps to increase those sales. Every brand that you buy for your own use helps make those profits better. All our interests—your interests and ours—are pooled in these several tobaccos. It is logic that you should bend all of your efforts, however small, in the selling.

The United Power of 40,000 Buyers

40,000 men in a section wield an enormous buying influence. It all asks for these brands when they buy tobacco there results a gigantic sale. And big sales are the best advertising known.

To Dealers! Dealers throughout the United States know these famous tobaccos. They are Nation-wide sellers—popular brands. They are helping these dealers to prosper. They are made from the pick of the famous crops of 40,000 growers. Every one of these growers is boosting them all. So are all of their friends. This method is bringing the profits to dealers—to those who sell these brands. Are they working for you? Here are the mild, fragrant smoking brands—GOLDEN GLOW—PENNY POST—FULL PAY—ON THE SQUARE—TORCHLIGHT—STRATER'S NATURAL LEAF. Put them into your stock. See how they sell.

A few years ago if you were nervous and run down with little strength and poor health generally, you would have wondered what to do to build yourself up.

Get it at once. Take it a few weeks and your old health and strength will return without fail. You will feel like a new person almost from the first dose of this pleasant tasting tonic. Weigh yourself after taking Tona Vita and see how much you have gained in weight.

Tona Vita is sold by Chas. E. Butler & Co.

Shot by a Rabbit.

Cyril Newman, a schoolboy hunter, is dying in a Hacketts town (N. J.) hospital from shotgun wounds received while rabbit shooting. He had placed his gun on the ground while he opened a trap containing a rabbit. He intended to shoot the captive as it ran away, but the rabbit gave a jump and landed on the trigger of the gun, discharging both barrels.

Pathetic Appeal.

Among the clever stories retailed at the Beefsteak or the Garrick is a nice one of the florid lawyer, who was counsel in an action for libel brought by a provision merchant against a local newspaper. He said in his address to the jury: "My client, gentlemen, is a cheesemonger, and the reputation of a cheesemonger in the city of London is like the bloom of a peach. Touch it, and it is gone forever."

Worried Hero.

A critic of Wells' novel, "Marriage," finds in the confounding of the hero "the desire to have it all ways; to possess a woman who shall have all the charm and the caprice of the eternal feminine; who shall, by the grossness of her desires and the pettiness of conversation, give him an agreeable sense of superiority, and yet shall, to order, acquire deep spiritual insight when her husband feels he needs it."

Good Never Dies.

There is nothing, no nothing, innocent or good that dies and is forgotten. An infant—a prattling child dying in its cradle—will live again in better thoughts of those who loved it, and play its part through them, in the redeeming actions of the world, though its body be burnt to ashes and drowned in the deepest sea.—Charles Dickens.

Unkindly Suggestive.

A lady of advanced age required the services of a page-boy, and advertised: "Youth wanted." One of her dearest friends sent her by the next post a bottle of Blank's celebrated wrinkle filler and skin-tightener, a pot of fairy bloom, a set of false teeth, a flaxen wig, and a cake of iodine soap.

A WINTER COAT

not only keeps cold out, but conserves body-warmth; body-fat serves the same purpose, it enables us to resist unsettled elements and serves as the great source of our body-heat. Greater body-warmth means richer blood, more fat, not obesity but fat which the body consumes for warmth, vitality, resistance-power—as a furnace consumes coal for heat—Scott's Emulsion does this.

A teaspoonful after each meal makes body-warmth healthy, active blood—sharpens the appetite and makes all good food do good.

It dries out and keeps out colds by raising endurance-power and creating strength.
